SUPERNATURAL 7 p.m. on KDAF

In "Who We Are," the first of two new episodes that end the show's 12th year, Sam and Dean (Jared Padalecki, Jensen Ackles) have only each other to depend upon as they land in dangerous circumstances. Immediately after, the season finale - "All Along the Watchtower" - makes the Winchester siblings, along with Castiel (Misha Collins), targets of Lucifer (Mark Pellegrino). The enemy wants to ensure he has complete power over his forthcoming child. (N) HD CC

THE BLACKLIST 8 p.m. on KXAS

The drama's fourth-season finale, "Mr. Kaplan," expectedly centers largely on recurring cast member Susan Blommaert's character — whose use of an extremely experienced thief (guest star Aldis Hodge, "Underground") attracts the attention of Red (James Spader), who's trying to protect his network of criminal contacts. The task force faces danger when Gale (Enrique Murciano) breaks protocol. The conclusion of the story follows immediately. Megan Boone also stars. (N) HD (Part 1 of 2) CC

THE ORIGINALS 7 p.m. on KDAF

"The Vampire Diaries" is over, but certain characters remain on view, as proven by Matt Davis' guest appearance as Alaric in the new episode "Voodoo in My Blood." The uneasily teamed Elijah and Marcel (Daniel Gillies, Charles Michael Davis) consult with him as their battle against The Hollow continues. Hayley and Klaus (Phoebe Tonkin, Joseph Morgan) pursue their own path in trying to bring down The Hollow by confronting Davina (guest star Danielle Campbell). (N)

LETHAL WEAPON 8 p.m. on KDFW

Another character from the movies that inspired this series surfaces in "As Good as It Getz," as Thomas Lennon — of the latest television reboot of "The Odd Couple" — guest stars as Leo Getz, the fasttalker played by Joe Pesci in the films. Leo still needs the protection supplied by Riggs and Murtaugh (Clayne Crawford, Damon Wayans Sr.) here, since cartel members are after him. Hilarie Burton reprises her guest role. HD CC (DVS)

HAWAII FIVE-0 8 p.m. on KTVT

The squad's investigation of a sex-trafficking ring reaches the point of no return as the crime-drama reboot ends its seventh season with "Ua mau ke ea o ka 'aina i ka pono" (Hawaiian for "The Life of the Land Is Perpetuated in Righteousness"). McGarrett (Alex O'Loughlin) ends up in direct peril as he and his colleagues try to save young women from the felons. The case has enough of an impact on Kono (Grace Park) for her to decide something surprising. (Season Finale) (N) HD © **SATURDAY Daytime** May 13, 2017

EMPIRE 8 p.m. on KDFW

It's not a secret that Demi Moore is joining this show, and she'll ultimately figure into the drama's third-season finale, which begins here with "Toil and Trouble, Part 1" as Cookie (Taraji P. Henson) mounts an offense against Giuliana (Nia Long). The new albums by Lucious and Jamal (Terrence Howard, Jussie Smollett) could end up with competing release dates. Bryshere "Yazz" Gray also stars. (N) HD (Part 1 of 2) © (DVS)

DOWNWARD DOG 8:31 p.m. on WFAA

After its recent showing at the Sundance Film Festival, this comedy series — based on an internet show — gets a "preview" premiere before settling into its regular Tuesday slot the next week. Allison Tolman ("Fargo") stars as Nan, whose personal and professional lives are seen from the perspective of her dog ... with the canine's thoughts voiced by Samm Hodges, one of the show's creators.
Lucas Neff ("Raising Hope") plays
Nan's former boyfriend. (N)

FARGO

9 p.m., 10:30 p.m., 12:30 a.m. on FX

Emmit (Ewan McGregor) is forced to deal with some harsh consequences as his brother, Ray (McGregor again), and Nikki (Mary Elizabeth Winstead) retaliate in a new episode called "The House of Special Purpose." Elsewhere, Gloria and Winnie (Carrie Coon, Olivia Sandoval) begin connecting the dots and looking for patterns and connections among seemingly random events and individuals. (N) ©

THE MIDDLE 7 p.m. on WFAA

With this comedy's upcoming ninth season, Patricia Heaton will tie her run in "Everybody Loves Raymond" — but for now, it ends its eighth round with "Fight or Flight," directed by series co-creator and executive producer Eileen Heisler, Frankie and Mike (Heaton, Neil Flynn) have differing reactions to Axl's (Clarlie McDermott) plan to spend his first post-college summer traveling through Europe. Sue (Eden Sher) worries about a car mishap she had. (Season Finale) (N) HD CC (DVS)

AMERICAN EPIC 8 p.m. on KERA

Executive-produced by Robert Redford (who also narrates), Jack White and T Bone Burnett, this new three-part documentary miniseries examines how early recording techniques changed and influenced American music in many ways. The opening installment, "The Big Bang," details how producer Ralph Peer used a portable machine in 1920s Tennessee to capture the country and rhythm-and-blues sounds of such artists as Jimmie Rodgers and the Carter family. (Series Premiere) (N) HD (Part 1 of 3) CC

CHICAGO FIRE 9 p.m. on KXAS

The drama's fifth-season finale, "My Miracle," puts the members of Firehouse 51 at risk during an out-of-control blaze at a warehouse. The peril compounds the already existing tension for Dawson and Casey (Monica Raymund, Jesse Spencer), who are arguing over Dawson's father's (guest star Daniel Zacapa) extended stay with them. Guest stars also include Chicago Cubs players Kris Bryant and Jake Arrieta, Holly Robinson Peete and sportscaster Mike Tirico. (Season Finale) (N) HD CC (DVS)

RAINING DAY 8 p.m. on KTVT

The season-ending episode which could prove to be the seriesending episode as well, particularly given the recent passing of star Bill Paxton — begins, as Part 1 of "Elegy" finds Kyle (Justin Cornwell) distressed to discover he's been fed lies about his father's death by Frank (Paxton). The resulting breach of trust between the police partners could put both their lives at risk. Tom Berenger and Raymond J. Barry guest star. (N) (Part 1 of 2) ©

CLASS

9 p.m., 12 a.m. on BBCA

As she fights her way through the Shadow Kin realm, April (Sophie Hopkins) is filled with dread to realize she'll never see her friends again unless she can somehow defeat Corakinus (Paul Marc Davis) in the new episode "Brave-ish Heart." Meanwhile, back on Earth, the bizarre invasion of flower petals threatens to annihilate life on the planet, unless Charlie, Matteusz and Tanya (Greg Austin, Jordan Renzo, Vivian Oparah) find a way to stop it. Katherine Kelly and Pooky Quesnel also star. (N)

SATURDAY NIGHT LIVE

10:29 p.m. on KXAS

Melissa McCarthy has been no stranger to this program lately, having made several guest appearances as a certain White House press secretary — and expect her to reprise that role yet again as she returns as guest host of this new episode. It's one of the show's telecasts to be aired live in every time zone, so West Coast viewers will see what happens right when it unfolds on the East Coast. Haim is the musical guest. Cast regulars include Cecily Strong. (N) ID (Live) CC

JANE THE VIRGIN 8 p.m. on KDAF

Jane's (Gina Rodriguez) relationship strain with Fabian (guest star Francisco San Martin) leaves her debating whether to seek a favor from him in the new "Chapter Sixty-Three." At the same time, she tries to abstain from giving Petra and Rafael (Yael Grobglas, Justin Baldoni) the advice they seek from her. However, Jane is very willing to assist Xo and Rogelio (Andrea Navedo, Jaime Camil) ... to her eventual regret. Ivonne Coll also stars. (N)

BETTER CALL SAUL 9 p.m. on AMC

Jimmy (Bob Odenkirk) embarks on a new endeavor, but Chuck flirts with disaster by pushing himself to the limit in the new episode "Off Brand." Elsewhere, Nacho (Michael Mando) is dismayed to find himself swept up in a power struggle. Rhea Seehorn also stars. (N)

QUANTICO 9:01 p.m. on WFAA

After a season that has seen many changes — including a move between intelligence agencies for lead character Alex Parrish (Priyanka Chopra, who's also in the new "Baywatch" movie), as well as a switch of the show's telecast night — the drama's second round ends with "RESISTANCE." The task force makes its ultimate bid to prevent another terrorist act at the Constitutional Convention. Cast members also include Blair Underwood, Aunjanue Ellis and Johanna Braddy. (Season Finale) (N)
