CELEBRITY ESCAPE ROOM 7 p.m. on KXAS

Kicking off a full night of programming devoted to Red Nose Day, an annual fundraising event to end child poverty, this new one-hour special taps into a current pop culture party phenomenon, in which a group of people work together to successfully escape from a locked room. Host Jack Black "traps" guests Ben Stiller, Adam Scott and former "Friends" co-stars Courteney Cox and Lisa Kudrow in a series of surprising puzzle rooms. Immediately following, the two-hour "Red Nose Day Special" features an all-star cast doing their bit for the cause.

BURDEN OF TRUTH 7 p.m. on KDAF

Season 3 of this legal drama, which opens a year after the events of Season 2, finds Joanna Chang (Kristin Kreuk) and Billy Crawford (Peter Mooney) working together in Crawford Chang, their boutique law firm. While she's back home in Millwood for a class reunion, Joanna is approached by an old friend, Kodie Chartrand (Sera-Lys McArthur), who desperately needs her help: Kodie's children have been removed from her home by the local family services department, the result of a dark conspiracy, she claims.

THE BLACKLIST 7 p.m. on KXAS

Ressler (Diego Klattenhoff) and the Task Force investigate a mildmannered accountant who works for affluent crime figures, hoping he will lead them to the violent and thuggish brothers who are charged with his protection in the Season 7 finale, "The Kazanjian Brothers." Meanwhile, Liz (Megan Boone) is confronted by a momentous decision she must make. This finale incorporates graphic novel-style animation in some scenes that were unfinished when production was shut down by the Covid-19 pandemic.

MASTERS OF ILLUSION

7 p.m. on KDAF

Host Dean Cain returns as host for Season 7 of this mystifying variety series featuring escape artists, cutting-edge illusionists and talented performers. In front of a studio audience, these modern magicians demonstrate their perplexing and astonishing skills with performances that include interactive magic tricks, astounding escapes, sleightof-hand, large-scale illusions and boisterous comedy routines. Another episode immediately follows.

GREAT PERFORMANCES 8 p.m. on KERA

Tony Award-winning actor and singer Paulo Szot ("South Pacific") stars as the Celebrant in a 2019 Ravinia Festival production of "Leonard Bernstein's Mass," with 200 artists including the Chicago Symphony Orchestra under the baton of longtime Bernstein protégée Marin Alsop. Commissioned by Jacqueline Onassis to open the Kennedy Center in 1971, the work draws from the liturgical Latin text, augmented by additional lyrics from Bernstein and Stephen Schwartz ("Wicked"), embracing elements of theater music, folk and rock music.

THE MASKED SINGER

7 p.m. on KDFW

Following Tuesday night's new special looking back over some of the best performances and fan favorite highlights from Season 3, it's all over but the final unmaskings in "Couldn't Mask for Anything More!," as the last three finalists appear before panelists Ken Jeong, Jenny McCarthy, Nicole Scherzinger and Robin Thicke. As that quartet makes their final guesses about each performer's identity, ultimately one celebrity will take home the golden mask trophy and the Season 3 title. Nick Cannon is the

8:01 p.m. on KDFW

NFL sibling trio J.J., T.J. and Derek Watt co-host this new game show based on the popular schoolyard chasing game. This new, high-octane re-imagining of the game, however, is highly physical, challenging contestants to vault, tumble, dodge and dive their way through several epic, three-dimensional courses. As if that weren't enough, while the competitors are focused on executing all those physical challenges, they're also being pursued by Taggers, larger-than-life characters with a wide range of athletic skills. The ultimate rule of Ultimate Tag? Don't get caught!

DC'S STARGIRL 7 p.m. on KDAF

Featuring characters that were briefly introduced during the "Crisis on Planet Earths" crossover event earlier this season, this new superhero action series is set on Earth-2, where high school sophomore Courtney Whitmore (Brec Bassinger) discovers a powerful cosmic staff, as well as the mind-blowing revelation that her stepfather, Pat Dugan (Luke Wilson), used to be the sidekick of superhero Starman (Joel McHale). Assuming the guise of Stargirl, Courtney inspires some unlikely young heroes to battle villains of the past. Anjelika Washington and Amy Smart co-star in the large ensemble cast.

BARGAIN MANSIONS 8 p.m., 11 p.m. on HGTV

In a new episode called "Out With the Old, in With the Bold," Tamara unleashes her imagination when confronted with an outdated 1970s Tudor home that is painfully in need of being brought tastefully up to date. As part of her makeover, she gives the kitchen a crucial upgrade and renovates two uninspired living spaces on the first floor into true statement rooms.

THE GENETIC DETECTIVE 9 p.m. on WFAA

An ABC News production, this new series follows CeCe Moore, an investigative genetic genealogist, as she uses her peerless research skill to revolutionize crime-solving procedures. Working with police detectives and DNA from crime scenes, Moore traces the path of a violent criminal's family tree to reveal their identity, then helps law enforcement agents bring them to justice. Her first case takes her to Seattle to investigate a double homicide from 1987 in "The Case of the Missing Lovebirds."

The first R-rated film to earn more than \$1 billion at the box office, Todd Phillips' deeply unsettling 2019 psychological thriller polarized critics over its depiction of violence and mental illness. That didn't keep the film from winning multiple global accolades, however, including a best actor Academy Award for Joaquin Phoenix, starring as failed stand-up comic Arthur Fleck, who gradually sinks into madness. His Oscar was one of the 11 Academy nominations the film earned, more than any other 2019 film. Robert De Niro, Zazie Beetz and Frances Conroy co-star.

THE BACHELOR PRESENTS: LISTEN TO YOUR HEART 7 p.m. on WFAA

If music be the food of love, as Shakespeare suggested, we've reached the dessert round of this spinoff of "The Bachelor," wherein singles from some aspect of the music industry sing together and otherwise get to know one another better through the magic of melodies. Over the past five weeks, they've gone on dates and watched nervously as other pairings were eliminated one by one. Will tonight's two-hour finale produce a lasting duet? Tune in and see. Chris Harrison hosts.

CREATED EQUAL: CLARENCE THOMAS IN HIS OWN WORDS

9 p.m. on KERA

Supreme Court Justice Clarence Thomas, best known for his generally taciturn demeanor when the court is in session, opens up about his life, legacy and legal theories with conservative filmmaker Michael Pack in this feature-length 2019 documentary, which makes scant effort at keeping things apolitical. Given how rarely its central subject has spoken on the record about many things, however, the film - which also features extensive commentary from Thomas's wife, Ginny - serves as a noteworthy historical document.
